## 2. EUDR Coalition Statement on the EUDR Information System – Final Version and Next Steps

The FAQ and Guidance document updates are further analysed.

Click [here](#) for the coalition statement, supported by CEI Bois (FEFPEB membership) and 16 other organisations was issued a few days ago.

The letter focuses exclusively on the common concerns regarding the Information System that are shared by all 17 signatories. It will be sent to the ENVI and AGRI attachés in the Permanent Representations, as well as to the relevant services of the European Commission, including the offices of the relevant Commissioners (von der Leyen, Ribera, Roswall and Hansen).

### **3. PPWR**

The FEFPEB task force is expanding, most countries are represented.

The activity level is high.

To underline that PPWR entered into force on 11 February 2025 and will apply from 12 August 2026 but in fact it is the start of the phase of the Delegated Act development, to start with Labelling.

FEFPEB remains pro-active.

#### **FEFPEB position paper DfR criteria serves as input for European Commission / Delegated Act**

Our position paper has been formally accepted as valuable information in the process to develop recyclability performance requirement, to become applicable from 2030, or even later.

Our input is forwarded to the Joint Research Centre colleagues of the EC.
